- Relationship and behaviour policy build on regulation and restorative practice.
- Strong working relationships with external professionals.
- Emotional wellbeing at the heart of all provision.
- Team Teach trained staff.

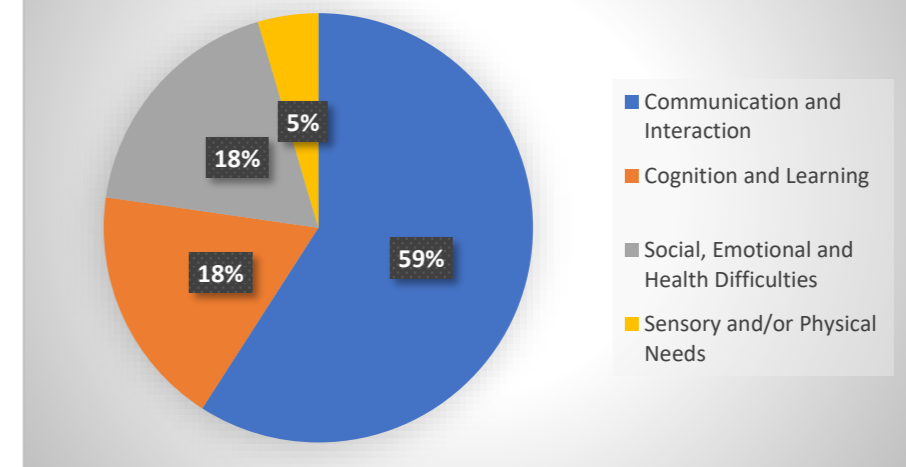

OFSTED said:

Pupils with special educational needs and/or disabilities (SEND) are well supported by adults. Leaders work with external partners to get the best support for pupils. Adults are trained to understand how pupils with SEND learn well. Teachers make careful adaptations of resources and routines in the school. This enables pupils to access their learning effectively.

SIAMS said:

Parents praise the school for the personalised care offered by staff, who go 'above and beyond' to meet the needs of each individual. Working positively together, leaders, staff and parents create a nurturing ethos which positively impacts the achievement of pupils.

Whole School - Primary Need

Primary Need for each Year Group

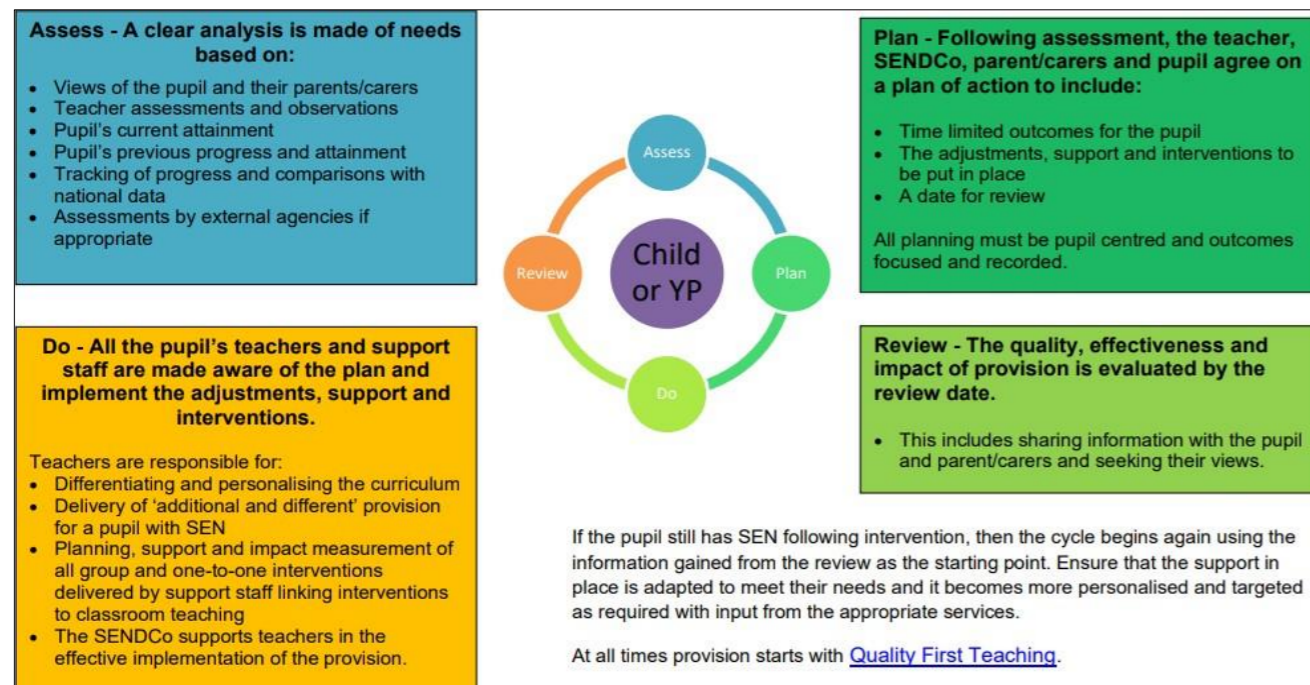

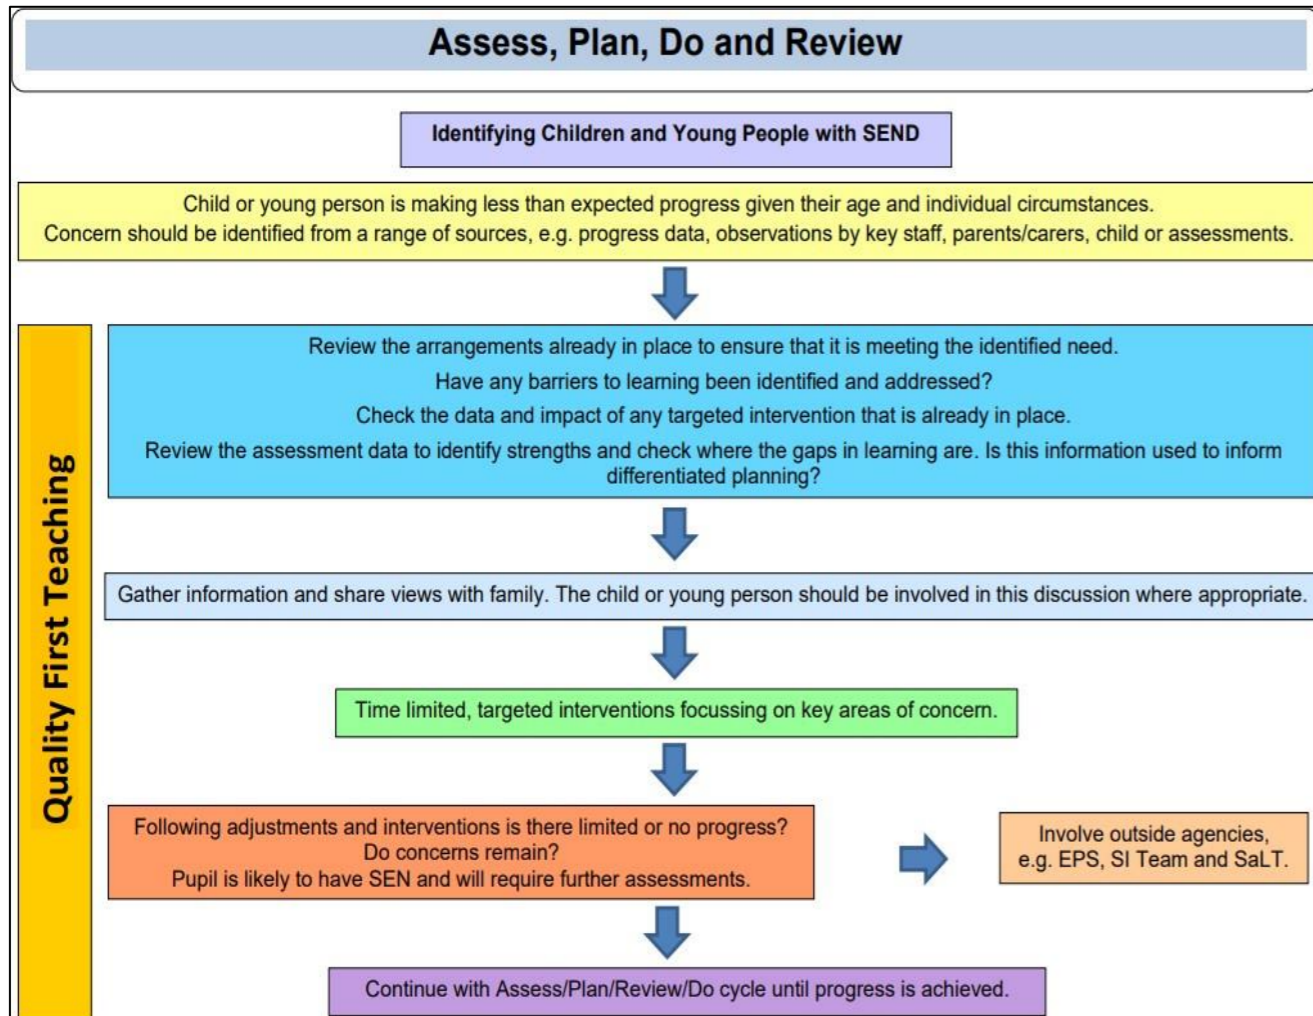

Primary Need for each Key Stage

Hooton Pagnell All Saints C of E Junior and Infant school has 24.7% level of SEND compared to 17% nationally. We have 6 children with EHCPs in school, which is slightly above the national average and our attendance is 95%. Over the last 2 years we have seen a higher proportion of pupils on the SEND register with identified needs around communication & interaction and SEMH, which has led to us seeking more regular external specialist support. This helps us to manage provision for these needs

Intent: We are an inclusive school committed to the equal inclusion of all pupils in all areas of school life. We recognise the diversity of our children's needs and experience and are committed to ensuring that all children including those with SEND have access to the same high-quality teaching and learning experiences and make good progress from their different starting points. We work hard to make sure that all our pupils have the opportunity to achieve their potential and flourish. We understand the importance of positive mental health and the need for children to feel happy, safe and secure if they are to grow into confident individuals. As a result of this we work closely with the children, families and outside agencies in order to support in this area.

Implementation: At Hooton Pagnell, every teacher is a teacher of SEND. As such, inclusion is a thread that runs through every area of the school enhanced by collaboration between senior leaders, teachers, support staff, external agencies, parents and most importantly, the child.

School Steps to Success
