

Meeting 5: Friday 27th January

Agenda 1: Anything to be communicated?

- The councillors were very happy to see that their ideas had been implemented throughout school, including reading buddies and a weekly litter-picking timetable which has been dispersed to all classes.
- Mrs Thorpe is currently researching the re-occurring idea of a Hooton Pagnell school pet! This includes sending out a questionnaire to families (so please look out for that via school dojo!).
- The children have mentioned that they would love to have a 'Sport Games Day', where all children could get involved with a particular sport that they love. The Year 5 and 6 councillors have explained that there are lots of Navigator pupils who would love to lead the activities and teach the younger children how to play. Additionally, the children also mentioned having PE teams, in which children are grouped into colours (coloured t-shirts) and are able to win points for their team. I have stated that I will speak with Mr Horton (PE lead) in regard to this (updates will follow during our next meeting).

Agenda 2: Allocated digging area in the playground

- As Mrs Thorpe has given the go ahead, Mr Fawcett will be meeting with the school council during Spring term 2 (better weather conditions), in order to discuss details and get the process in motion.

Plans for the next meeting (Thursday 9th March):

- Anything to be communicated? /Updates on agendas discussed in the previous meeting.
- Mr Fawcett in attendance to discuss the 'digging area'.

One final request:

The councillors have brought to our attention the ongoing issues within the cloak room areas of the school. Children are abandoning their coats on the floor, these are then being trampled on (very muddy during these winter months) and children are tripping over them.

We understand that families spend lots of money on clothing for their children, consequently I have passed this on to Mrs Thorpe, who is going to raise the issue during assembly time.

Could we also request that all parents have a quick word with their children please? Just a small reminder to pick coats up (even if they do not belong to them) and hang them up- ready, RESPECTFUL and SAFE!

Thank you so much for your ongoing support, it is very much appreciated!
