

Meeting 1: Thursday 3rd October

Welcome to our first school council newsletter of the year!

Introducing our new school council members 2024-2025:

Y6 Warren/Y5 Frankie

Y4 Jack/Y3 Bobby-James

Y2 Fern/Y1 Hendrix

EYFS Barney/Mileya

The elected councillors are ecstatic about their new role and whole-heartedly dedicate themselves to supporting their peers however possible!

Agenda 1: Welcome to the School Council!

- Informed the children of their responsibilities as members of the council- whilst sharing some delicious cupcakes councillor Frankie brought for the meeting! Thank you so much, Frankie!

Agenda 2: Anything to be communicated?

- The councillors expressed a growing concern for children playing near the nettles in the school field. It has been requested that I pass this on to Mr Fawcett and request that they are cut down.
- Mrs Thorpe has requested the school council deliberate over the prospect of improving the amount of waste in school. As the councillors understand the importance of recycling and its impact on saving the planet, it has been decided that each classroom will be given a recycling box to place their unwanted paper in. This will then be re-used during breakfast/hub/after-school club.

Plans for the next meeting (Thursday 29th November):

- Anything new to be communicated?
- Updates on agendas discussed in the previous meeting.
