1. Introduction

- 1.1 As a charity and company limited by guarantee, the James Montgomery Academy Trust (JMAT), (the “Company”) is governed by a Board of Directors (the “Directors”) who are responsible for, and oversee, the management and administration of the Company and the academies run by the Company; and This School is one of the academies.
- 1.2 This Scheme of Delegation has been put in place by the Directors from the Effective Date in accordance with the provisions of the Company’s Articles of Association (the “Articles”) and should be read in conjunction with those Articles and any terms used in the Articles.
- 1.3 This Scheme of Delegation will apply to all academies for which the Academy Trust is responsible (the “Academies”) and details for each individual academy, will be set out in Appendix 2 to this Scheme of Delegation.
- 1.4 If the Academy is a Church of England school, designated as such, the Directors are also accountable both to the Sheffield Diocesan Board of Education (to ensure that the Academy is conducted as a Church of England school) and to any persons or body who holds the land used by the Academy on trust to ensure that the objects of such trust are upheld and the land is used for purposes which are consistent with the objects of the Trust. Those such schools are: *Mexborough St John the Baptist C of E Primary School, Wath C of E Primary School, Brampton the Ellis C of E Primary School and All Saints Hooton Pagnell C of E Primary School.*
- 1.5 The Directors are accountable to external government agencies including the Charity Commission and the Department for Education (including any successor bodies) for the quality of the education they provide, and they are required to have systems in place through which they can assure themselves of quality, safety and good practice.
- 1.6 In order to discharge these responsibilities, the Directors appoint people who are more locally based to serve on a board (the “Local Governing Body”) established to ensure the good governance of the Academy.
- 1.7 The Local Governing Body shall be the “Advisory Body” for the Academy as required by the Master Funding Agreement entered into between the Company and the Secretary of State (the “Secretary of State”)
- 1.8 The Directors shall delegate various delegated functions to the Local Governing Body pursuant to clause 5 of this Scheme, but the function of the Local Governing Body shall be to:
 - 1.8.1 have a monitoring role in connection with the Academy;

- 1.8.2 consider budget monitoring information and make recommendations to the Headteacher in relation to any potential overspending;
 - 1.8.3 govern admissions and appoint a committee to apply admissions criteria in accordance with the Admissions Code and with due regard to any locally agreed fair access protocols; *(The Trust adopt the LA Admissions Protocols)*
 - 1.8.4 govern exclusions in accordance with appropriate regulations;
 - 1.8.5 consider budget monitoring information and make recommendations to the Headteacher of the Academy (each a “Headteacher”) in relation to annual budget proposals;
 - 1.8.6 monitor and be accountable for standards and report regularly to the CEO of the Trust; *typically via the LGB minutes and at Developing Excellence Meetings.*
 - 1.8.7 act as a critical friend to the Headteacher, including via provision of advice in relation to annual budget proposals;
 - 1.8.8 represent the views of the community in discussions on budget issues that relate to community engagement and activity, and make recommendations to the Headteacher; and
 - 1.8.9 support the Headteacher in recruitment and selection, grievance and disciplinary processes where appropriate.
- 1.9 This Scheme of Delegation explains the ways in which the Directors fulfil their responsibilities for the leadership and management of the Academy, the respective roles and responsibilities of the Directors and the members of the Local Governing Body and the commitments to each other to ensure the success of the Academy.

2. Excellence and equity for all children in the JMAT context

- 2.1 Education is inevitably a process of change; it is self-evident that no child starting school will be the same when they leave. What is important is that the change is for the good and that the guiding principles of that change are based on sound educational, moral and for Church schools Christian precepts.
- 2.2 To achieve that state children must be highly literate and numerate so that they can access all that the world has to offer. The curriculum will enable children to use technology confidently and competently to help them on that journey. Life’s fullness also requires each child to know about the world and its history, to be able to appreciate and create art and music in their many forms, and to have fit, active minds and bodies.
- 2.3 A person who can truly be described as educated does not just have a vast bank of knowledge; they have the ability to use that knowledge for their own good and for the good of humanity. The development of a strong spiritual and moral framework is an essential part of the education that will be on offer.
- 2.4 All schools will have a high-quality Religious Education through which children will learn about Christianity and other world religions; this in turn will help them

better to understand other people's points of view and learn to live in harmony with those about them.

- 2.5 In church schools the school's distinctiveness is of great significance where creativity of approach is encouraged in order to seek the demonstration of the impact of their Christian character on the daily life of the school. This will be formally measured during their Section 48 inspection.
- 2.6 Every child is unique and precious and must be given the chance to develop in a healthy, safe and secure environment, and to have their individual skills, talents and spiritual, cultural and emotional development nourished so that they bloom and prosper. Enriched by life-long learning and service to others, each one will be offered the opportunity to experience life in all its fullness.
- 2.7 The Directors and the Local Governing Bodies recognise their responsibility towards the common good, not just of the Academies for whom the Company is responsible and the Diocesan family of schools, but of all the families and communities in the areas served by the Company. In light of the principle of common good, the Local Governing Body also acknowledges the desire and obligation of the Directors to put in place measures to ensure that any Academy for whom the Company is responsible is supported when the need arises.
- 2.8 The Local Governing Bodies also recognise the responsibility of the Directors and Company as sponsor, including any officer appointed with the express purpose of achieving and maintaining school improvement, to support those schools that are inadequate or requiring improvement to ensure their long-term sustainability. Any school improvement plan will be the object of discussions between the Directors, Company and the school concerned; Local Governing Bodies will be expected to acknowledge that the financial cost of any support package will be the responsibility of the Academy. Any school improvement plan will take account of the Secretary of State's concerns and will identify measurable objectives and milestones for improvement. The Local Governing Body will support and ensure implementation of any plan that has received formal approval.
- 2.9 The Directors also recognise the role that the Academies play in their communities: Local Governing Bodies are free to decide how such support and patronage is given. The Local Governing Body shall ensure, however, that any support is not inconsistent with the objects of the Company and the restrictions on use of its charitable resources, and with any advice or restriction placed on the Company by the Secretary of State. The Local Governing Body shall ensure that any formal collaboration or support is appropriately documented, and the details notified to the Directors.

3. Directors' powers and responsibilities

- 3.1 The Directors have overall responsibility and ultimate decision-making authority for all the work of the Company, including the establishing and running of schools. This is largely exercised through strategic planning and the setting of policy. It is managed through business planning, monitoring of budgets, appraisal, the setting of standards and the implementation of quality

management processes. The Directors have the power to direct change where required.

- 3.2 The Directors have a duty to act in the fulfilment of the Company's objects. As Church of England Schools are part of the James Montgomery Trust the Directors also have a duty to the Diocese of Sheffield Board of Education and the Bishop of Sheffield to uphold the object of the Company.
- 3.3 Directors will have regard to the interests of the other academies for which the Company is responsible in deciding and implementing any policy or exercising any authority in respect of an individual Academy.
- 3.4 Article 100 provides for the appointment by the Directors of committees to whom the Directors may delegate certain of the functions of the Directors. In further recognition of the Directors' power to delegate under Articles 101 and 105, responsibility for the running of the Academy from the Effective Date will be delegated to the committee established by this Scheme of Delegation and which shall be known as the Local Governing Body of the Academy.
- 3.5 The constitution, membership and proceedings of the Local Governing Body are determined by the Directors, and this Scheme of Delegation expresses such matters as well as acknowledging the authority delegated to the Local Governing Body in order to enable the Local Governing Body to run the Academy and fulfil the Academy's mission.
